September 13<sup>th</sup> – November 11<sup>th</sup> 2018

Press conference: on Wednesday, September 12<sup>th</sup> at 5 pm at La Kunsthalle

Opening reception: on Wednesday, September 12<sup>th</sup> at 6.30 pm

The exhibition, developed by La Kunsthalle in Mulhouse and the Museum für Neue Kunst in Freiburg im Breisgau, originated in the observation and comparison of these two cities, which are geographically close and yet very different in many ways. Their contrasted realities suggest that their proximity may only be geographical, while other external factors accounted for divergent developments.

Works shown in the exhibition at La Kunsthalle aim at transcending regional particularities to reveal the universality of observation.

*Mon Nord est Ton Sud* (My North is Your South) is built on the idea of diversity across areas and how these areas are perceived differently. Geographic, political, social and economic areas are both independent and complementary. They exist at individual and collective levels, and above all they are the real or virtual places of subjective experiences, complex relationships and dual situations.

In partnership with the Museum für Neue Kunst, which is hosting the exhibition *Your North is My South* until 7 October 2018.

A bus service will operate between Mulhouse and Freiburg im Breisgau to allow visitors to see both exhibitions.

With the kind support of the Fondation Entente Franco-Allemande and PERSPEKTIVE—Fund for Contemporary Art and Architecture, an initiative of the Bureau des arts plastiques | Institut français, supported by the French Ministry of Culture and the Goethe Institut.
