

SONIC, RESEARCH PROGRAM ON SOUND PRACTICE

Artistic Residency 2014

Call for Application

THE PROJECT

SONIC, a research programme dedicated to sound practice of the Haute école des arts du Rhin (France), publishes a call for application for artists whose production presents a sound dimension. The chosen artist will be welcomed in the sound studio of the Mulhouse campus where he will benefit from the access to equipment and the assistance of a technician. At the end of the residency, a closing event will be co-produced with the Kunsthalle of Mulhouse. Two tickets way-and back from the home city to Mulhouse are paid for, an apartment is provided for the artists as well as a grant of 1500 € net.
